Dear Mike,

I would like to thank you for the grant donation of the first aid kits for all of our police vehicles. I would also like to thank you for the four trauma kits for the extra staff we have been able to hire over the past year.

These donations have made it possible for all of us and the public we serve to have added protection. This ensures our safety and the safety of all those we serve.

Thank you again for your interest in our department and your most gracious help.

Sincerely,

Robert W. Plecker
Sheriff
