To: United States Deputy Sheriff's Association  
Attn: Mr. Mike Willis

On behalf of the Bellville Police Department, we would like to extend our gratitude for donating 15 emergency trauma kits to our agency. Prior to your generous hospitality, we did not have any. With budgets being condensed primarily to law enforcement equipment, necessities such as trauma kits are sometimes overlooked. These trauma kits will be worn by each officer in the unforeseen event in which they may prove to be vital for saving someone's life, and perhaps even including the life of a first responder. Our gratitude also extends to Austin County EMS Captain Lori Gaines for her dedication in having the kits donated, and ensuring that each officer would have a kit. Thanks again for all you have done, we really appreciate your generosity.

Respectfully,

A handwritten signature in cursive script that reads "Lt. Jason Smalley".
