Sheriff Melvin Andrews

Greetings,

I want to personally thank you Mike Willis and the United States Deputy Sheriff's Association for helping to meet the needs of our Sheriff's Office. Our most valuable assets within the Sheriff's Office are our first responding deputies. They're usually the first to have arrived at a potentially dangerous scene and have the enormous responsibility in identifying and containing any possible threats. To say the least they need and deserve any type of equipment or training that will give them the leading edge and to ensure their safety. We humbly thank you for the donation of the 8 ballistic proof vests to our office. They have been immediately issued to our deputies and placed into service. May God bless you and your organization for your generous donation.

Sincerely,

Investigator Michael N. Mathews ECSO
