Dear Mr. Willis,

Words cannot fully express the appreciation we feel for your thoughtful donation of funds to the family of Officer Tawanna Marin. This memorial donation was incredibly generous. We feel so grateful and humbled by all the emotional support we've been receiving from our extended law enforcement family and members of the community. Our entire Agency overflows with gratitude for you honoring our fallen officer. Ofc. Tawanna Marin was a woman in uniform who devoted her life to serving the public and her community with honor. Thank you so much for showing so much love and respect and for all you have done for the Marin family in their time of need. Ofc. Marin will never be forgotten.

With great appreciation,

Thomas N. Reid  
Region IV Director of Institutions
