Mr. Willis & US Deputy Sheriff's Association,

On behalf of the Town of Haysi, and the Haysi Police Department we would like to thank the United States Deputy Sheriff's Association for the equipment donation. The Haysi Police Department has already received the Preliminary Breath Tester, and placed the unit in service to help combat drinking and driving in the community. Our new female officer has already been sized for a new vest and will soon not be required to wear a vest from a prior employed male officer that doesn't fit her. We didn't have the funds budgeted for this needed equipment and are very grateful for the donation.

Sincerely,

Haysi Town Council & Police Department
