Gentlemen:

I wanted to take a moment to express my gratitude to the U.S. Deputy Sheriff's Association (U.S.D.S.A.) for the outstanding support afforded to my agency during the past two (2) years.

Like many smaller agencies, the Palo Pinto Sheriff's Office has limited funding and we have to make every taxpayer dollar count. U.S.D.S.A. has and provided my agency (at no cost) with over forty (40) life-saving officer trauma kits to be worn on their duty belts and over one-hundred (100) safety traffic cones.

Unfortunately, the current social environment that we must operate within dictates that my Deputies must be ready to respond to an Active Shooter incident at any time, at any of the six (6) school districts in our response area. Providing such continuing training each year can be quite costly for my agency. The U.S.D.S.A. has stepped in and provided my agency with Active Shooter and Building Search training worth thousands of training-dollars; again, at no cost to my agency.

You, and the U.S.D.S.A., will continue to have my full support and my heartfelt gratitude for all that you have done for us.

Sincerely and Respectfully,

Brett E. McGuire, Sheriff
