Dear Mr. Willis,

On behalf of the Rosendale Police Department, I would like to thank you personally, and the United States Deputy Sheriff's Association for your generous donations to our agency. It is because of your efforts and the generosity of Z-Medica, that our officers are now equipped with a life-saving trauma pack that will be readily available to them while on patrol.

I would also like to thank you for facilitating the training equipment that was supplied by Combat Sports International. Not only will we be utilizing the training pads in our defensive tactics program but I have extended the opportunity to the other agencies in our area, to use the equipment that you have provided.

I again would like to thank you and the members of the United States Deputy Sheriff's Association for the work you do and the dedication that you have shown to the law enforcement profession.

Sincerely,

Perry M. Soule  
Chief of Police
