I am writing to express the Rumford Police Department's sincere appreciation to Mike Willis and the United States Deputy Sheriff's Association for supplying us with emergency belt trauma kits. Our department has been searching for a belt mounted trauma kit to fit our particular needs without success.

When we learned about the United States Deputy Sheriff's Association and began communication the process could not have been easier or faster. Communication began on May 29<sup>th</sup> and the kits were delivered to the police department on May 31<sup>st</sup>. The kits are the perfect compact size to fit on our already over loaded duty belts and outfitted with quality gear.

Again the Rumford Police Department greatly appreciate Mike Willis and the United States Deputy Sheriff's Association's generosity.

Thank you

Thank you for all you do.
