To Mike Willis,

We are very thankful and appreciative to you and United States Deputy Sheriff's Association in your recent assistance with our needs. Once again, you and your staff have gone above and beyond. Thank for your assistance with two hand held PBT's and a bag of straws to go with it. It is very helpful to know there are places out there and organizations that care about law enforcement professionals across the United States.

May God continue to bless your efforts.

Sincerely,
Capt. D. Loyd
