

Mike thank you so much for the grant of the 4 vests from the United States Deputy Sheriff's Association. They have been distributed to the officers for use. We really appreciate this as we are a small department with 4 full-time and 4 reserve officers. We are a city of 1900 in east central Kansas. These vests could very well save a life. JB

John Blair, Chief  
Wellsville Police Dept  
730 S Main St.
